

# EFFECTIVE TEACHING IN THE PRIMARY CLASSROOM

strategies and activities  
to create an effective learning environment

This workshop will show teachers how to activate young learners' intelligences, organise tasks according to their learning styles and stimulate collaborative skills, to create an effective English learning environment.

Claudia Valentini ([lamaestra.it](http://lamaestra.it)) is a primary school teacher, teacher trainer and web content manager. Currently involved in research projects for innovative teaching, learning to learn and ICT, she's the co-author, along with Elisabetta Burchiotti, of *Tell Me! Wizzies* and *Effective Teaching in the Primary Classroom*, both published by Loescher.
